

授業科目 比較社会研究特論 I	単位 2	履修対象者 All students
授業担当者 出口正之 Masayuki Deguchi		
授業実施期間 2009. 4 - 9	授業実施場所 出口研究室	履修条件 Each student will be expected to participate in either a live session or an on-line discussion, send a number of weekly exercises by e-mail.
授業の内容 After learning basic theories of nonprofit sector from Powell and Steinberg(2006) and of linguapoltics from Deguchi et.al.(2008), students will apply methodology led by Hasan and Onyx to Japan's nonprofit sector under reform. The "transactional language" is English.		
授業計画 Participation: The course will primarily be held in a seminar format and requires active and informed student participation in classroom discussions and projects. Writing Assignments: The writing assignments are exercises directly related case studies and theory of NGOs. Each student will do practical exercises. On-line based research projects: A key component of the course is research projects based online. Participants will have to visit the web-site below and conduct one of them. http://www.r.minpaku.ac.jp/deguchi/deguchiindex.html		
授業の達成目標 Participants will be able to attain the skill and knowledge to make presentations for an international learned society on NGO theories.
